

2019 Turkey Shoot Results

Despite some “fowl” weather the 2019 “Turkeys at Sundown” shoot went off without a hitch. First place had to be determined by a shoot-off between Tim Ripperger and Brian McMullen who posted scores of 45/50. The shoot-off consisted of how many pellets were contained within the circle of the turkey heart. Brian nudged out Tim and won the first place ham with Tim settling for the turkey. Third place went to Buddy Hicks who proudly displayed his ring of baloney (ok... bologna). The shoot for the turkey heart was won by Dan Brune. The rest of us settled for just a good time.
