

The 2022 Super Trap Shoot Off was completed on March 26 with 13 shooters competing for top honors. Curt Mauldin took first place with a score of 68 out of 100. Nice shooting! Jeff Cockerham took second place with a 64 and Connor Hess taking home third place honors with a 63. Top team honors went to Jerry Benne and Connor Hess with a combined score of 123. Ken Nickless broke the most green birds. As for the rest of us...well we didn't do quite that well. I would post all the other scores but the wind blew them out of my hands and they are lost in woods somewhere...

Fun was had by all despite the windy conditions!
